Headline:
Brightening up after a cloudy start on Sunday. Trending warmer.

Today:
Starting largely cloudy but brightening up through the morning, with the best chance of any sunshine in the west and during the afternoon. Warm inland, although somewhat cooler near coasts. Maximum temperature 23 deg C (73 deg F).

Tonight:
Some sunny spells to end the day. Remaining dry with clear spells overnight, but cloud thickening in northern areas later in the night. Mild. Minimum temperature 14 deg C (57 deg F).

Monday:
Thicker cloud in northern areas until early afternoon, with a risk of an isolated heavy shower. Otherwise dry with sunny spells. Feeling very warm in light winds. Maximum temperature 26 deg C (79 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday, largely dry with sunny spells after early patchy fog clears. Very warm or hot. Similar on Thursday, but cloudier with a risk of heavy thundery showers.
